SUPPLEMENT TO MISCELLANEOUS PUBLICATION No. 80

TO STATE PLANT QUARANTINE OFFICIALS:

You were recently furnished copies of Miscellaneous Publication No. 80, "Summary of State and Territorial Quarantines Affecting Interstate Shipments," revised March 1946. Although the date of this revision is given as March 1946, it actually was prepared about a year prior to that date, many delays being encountered before it was finally printed. During that period and subsequent to March 1946, a number of State quarantines have been revoked, revised, or amended, and in order to bring the information in regard to State plant quarantines up to date the changes which so far have been brought to our attention are summarized below.

Page references are to those in Miscellaneous Publication No. 80.

Quarantines Revoked

ORIENTAL FRUIT MOTH

Arizona	Quarantine	Order No. 1	Dec. 20, 1945	(Page 11)
California	"	Procl. No. 3	July 20, 1945	" 23
Idaho	"	Order No. 8	Dec. 7, 1945	" 42
Montana	"	Order No. 11A	Aug. 22, 1945	" 61
Nevada	"	Procl.	Jan. 2, 1946	" 65
Oregon	"	Order No. 48	Oct. 30, 1945	" 79
Utah	"	Order No. 5	Mar. 20, 1946	" 96
Washington	"	Order No. 11	Dec. 19, 1945	" 102

Quarantines Revised or Amended

CHERRY FRUITFLY

California - Quarantine Proclamation No. 8, revised June 17, 1945 and amended (No. 1) May 23, 1946 (Page 20)

Changes in area designated as infested

In Oregon -Hood River and Wasco Counties added to infested area.
In Idaho - Nez Perce County added to infested area.
In Washington - Whitman County removed from infested area.
Asotin, Kittitas, Walla Walla, and Yakima Counties added to infested area.

Idaho - Quarantine Order No. 5, revised May 1, 1945 (Page 40)

Changes in area designated as infested

In Idaho - Kootenai and Nez Perce Counties added to infested area.
In Oregon - Wallowa County removed from infested area.
In Washington - Asotin and Kittitas Counties added to infested area.

Oregon - Quarantine Order No. 6, revised June 15, 1945 (Page 76)

Changes in area designated as infested

In Idaho - Kootenai and Nez Perce Counties added to infested area.
In Oregon - Hood River and Wasco Counties added to infested area.
In Washington - Asotin, Klickitat, and Yakima Counties added to infested area.

Utah - Quarantine No. 4, revised March 15, 1945 (Page 94)

Changes in area designated as infested

In Idaho - Kootenai County added to infested area.
In Oregon - Entire State placed in infested area except counties of Baker, Cass, Curry, Douglas, Hood River, Jackson, Josephine, Lake, Malheur, Umatilla, Wallowa, and Wasco.

Washington - Quarantine Order No. 13, revised May 6, 1946 (Page 100)

Changes in area designated as infested

In Idaho - Kootenai and Nez Perce Counties added to infested area.
In Oregon - Coos County removed from infested area, and Hood River, Union, and Wasco Counties added to infested area.
In Washington - Parts of Asotin and Yakima Counties and all of Klickitat, Skomania, and Spokane Counties added to infested area.

COLORADO POTATO BEETLE

California - Quarantine Proclamation No. 16, revised April 2, 1945 (Page 21)

"Restricted Commodities" should be changed to read "Plants and cuttings of tomato, eggplant, and potato and soil in association with or attached to tomato, eggplant, and potato plants, cuttings, and tubers."

"Conditions of entry." The first paragraph should be changed to read: "Irish potato tubers admissible without restriction from quarantined areas if inspection shows they have been washed, screened or otherwise freed of soil and host plant debris and are in new or recleaned sacks or other clean containers. Those which have not been freed of soil, host plant debris or are shipped in dirty containers are prohibited unless accompanied by an official origin certificate establishing the fact that such tubers were grown in and shipped from a beetle-free locality, except that the inspector may pass uncertified lots of 100 pounds or less found to be so contaminated, provided such contamination is entirely removed and destroyed under his supervision."

EUROPEAN CORN BORER

Florida - Rule No. 32, revised Nov. 10, 1945 (Page 34)

Changes in quarantined area

States of Kansas, Minnesota, and Nebraska added to quarantined area.
Remainder of States of Iowa and Mississippi (parts of which were partially under quarantine) added to quarantined area.
Counties of Montgomery, Robertson, and Sumner in Tennessee added to quarantined area.
The revision also provides for entry of host plants and plant products after treatment and of winter-grown greenhouse rhubarb.

Oregon - Quarantine Order No. 22, revised June 15, 1945 (Page 77)

Changes in quarantined area

States of Kansas and Nebraska added to quarantined area.
Remainder of States of Iowa and Missouri (parts of which were previously under quarantine) added to quarantined area.
Counties of Montgomery, Robertson, and Sumner in Tennessee added to quarantine area.

Tennessee - Quarantine Notice No. 6, revised July 1, 1945 (Page 88)

Changes in quarantined area

States of Kansas and Nebraska added to quarantined area.
Remainder of State of Minnesota (part of which was previously under quarantine) added to quarantined area.

Utah - Quarantine No. 7, revised March 5, 1945 (Page 95)

Changes in quarantined area

States of Iowa, Kansas, Minnesota, Missouri, and Nebraska added to quarantined area.
Counties of Montgomery, Robertson, and Sumner in Tennessee added to quarantined area.

Washington - Quarantine Order No. 18, revised June 28, 1945 (Page 101)

Changes in quarantined area

States of Kansas, Minnesota, and Nebraska added to quarantined area.
Remainder of States of Iowa and Missouri (parts of which were previously under quarantine) added to quarantined area.
Counties of Montgomery, Robertson, and Sumner in Tennessee added to quarantined area.

ORIENTAL FRUIT MOTH

Colorado - Quarantine Order "E" revised January 1, 1946, and amended January 1, 1946 (Page 28)

Changes in quarantined area

New Quarantines

California

PLUM CURCULIO AND APPLE MAGGOT
Effective Oct. 2, 1945 and Amended May 23, 1946

All fresh fruits of apple, apricot, cherry, hawthorn (haw), nectarine, peach, pear, plum, prune, and quince are prohibited entry into California from parts of the States of Colorado, Montana, New Mexico, and Wyoming and all States east thereof unless they have originated in areas outside thereof and are reshipped in original unopened containers or, if repacked, are officially certified as having originated outside the quarantined area.

Texas

EMERGENCY QUARANTINE PROCLAMATION No. 93 ON
ACCOUNT OF "QUICK DECLINE OF CITRUS"
Effective May 28, 1945

Prohibits movement of all citrus fruits except lemons into "South" Texas from the State of California except under special permit. Restricted citrus fruits permitted movement into "North Zone" area of Texas when packed in standard containers and labeled as specified in the quarantine.
